#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Findlay-Hancock County Chamber of Commerce (dba Findlay-Hancock County Alliance), a nonprofit organization, which comprise the statements of financial position as of December 31, 2018 and 2017, the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Note 1-Nature of business**

The Findlay-Hancock County Chamber of Commerce (dba Findlay-Hancock County Alliance), a non-profit organization, (the Organization) is dedicated to driving growth and prosperity in the Findlay-Hancock County region. The Organization solicits funds from local businesses and residents and has more than 700 members consisting of both business and professional firms. The Organization consists principally of three divisions, the Chamber of Commerce (Chamber), Convention and Visitors Bureau (CVB), and the Economic Development Council (EDC).

#### Note 2-Summary of significant accounting policies

#### **Basis of accounting**

The accounting policies of the Organization conform to generally accepted accounting principles and reflect practices appropriate for a non-profit organization. The financial statements have been prepared on the accrual basis of accounting and include all divisions and accounts of the Organization: the Chamber, CVB and EDC. Inter-divisional balances and transactions have been eliminated.

#### Financial statement presentation and implementation of new accounting standard

In August 2016, the Financial Accounting Standard Board (FASB) issued Accounting Standards Update (ASU) 2016-14 (ASU 2016-14), Not-for-profit Entities (Topic 958): *Presentation of Financial Statements of Not-for-Profit Entities*, which simplifies and improves how a not-for-profit organization classifies its net assets, as well as the information it presents in financial statements and notes about its liquidity, financial performance, and cash flows. Among other changes, ASU 2016-14 replaces the three prior classes of net assets with two new classes, "net assets with donor restrictions" and "net assets without donor restrictions" and expands disclosures about the nature and amount of any donor restrictions. ASU 2016-14 was adopted by the Organization for the year ended December 31, 2018.

A recap of the net asset reclassifications driven by the adoption of ASU 2016-14 as of December 31, 2017 follows:

	ASU 2016-14 Classifications									
Net assets classifications		hout donor strictions				Total				
As previously presented: Unrestricted Temporarily restricted	\$	514,126	\$	0 512,429	\$	514,126 512,429				
Net assets as presented	\$	514,126	\$	512,429	\$	1,026,555				

#### Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## Note 2-Summary of significant accounting policies – continued

#### Cash and cash equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with maturities of three months or less to be cash equivalents.

#### Accounts receivable

The Organization considers all receivables to be fully collectible; accordingly, no allowance for doubtful accounts is included in the financial statements. When amounts are deemed to be uncollectible, they are expensed in the year in which that determination is made.

#### **Property and equipment**

Property and equipment is recorded at cost if purchased or at fair value if contributed. Depreciation is being provided on the straight-line method over the estimated lives of the assets, which are as follows:

	Years
Leasehold improvements	15-40
Furniture and equipment	3-10

Expenditures for maintenance and repairs are charged to operations as incurred. It is the Organization's policy to capitalize property and equipment having an acquisition cost of \$1,000 or more.

#### **Deferred membership dues**

The Organization bills members for yearly dues in members' anniversary months. Amounts received but not yet earned by the Organization are recorded as Deferred Membership in the current liabilities section of the accompanying statements of financial position.

#### **Classification of net assets**

Most funds of the Organization are classified as net assets without donor restrictions, since the governing instruments of the Organization and certain agreements provide for the invasion of principal, or for the Organization to exercise its variance power to modify any restriction if such restriction becomes unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community. Net assets without donor restrictions are not subject to donor-imposed restrictions.

Net assets with donor restrictions contain donor-imposed restrictions that permit the Organization to use or expend the assets as specified. These restrictions are satisfied either by the passage of time or when the proposed restriction is met. All net assets with donor restrictions as of December 31, 2018 and 2017 are restricted for specific program use; see Note 13.

# Note 2-Summary of significant accounting policies - continued

#### Federal income taxes

The Organization has been approved under Internal Revenue Code Section 501(c)(6) as a non-profit organization exempt from federal taxes on its normal activities. The Organization is taxed on its unrelated business income. The Organization files Forms 990 and 990-T annually. The Organization has adopted FASB ASC 740-10-50-15 to account for uncertainty in income taxes.

The Organization files Exempt Organization tax returns in the U.S. federal jurisdiction, and the state of Ohio. At December 31, 2018 and 2017, there are no unrecognized tax benefits, that if recognized would affect the annual effective tax rate. The Organization recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. During the years ended December 31, 2018 and 2017, no interest or penalties were recognized.

#### **Contributions**

The Organization has adopted FASB ASC 958-605-25, *Accounting for Contributions Received and Contributions Made*. Contributions received are recorded as revenues without donor restrictions or with donor restrictions, depending on the existence or nature of any donor restrictions.

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit their use. When a donor-imposed restriction expires, that is, when a stipulated time restriction ends or purpose-restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

Pledges are recorded as income in the year made. Amounts received "in-kind" have been recorded at the fair value of the services rendered.

#### **Development income**

From time to time, EDC enters into agreements to promote the development of the Findlay and Hancock County area. The agreements provide for EDC to receive an assignment fee for the successful sale of property to be used for economic development. For the years ended December 31, 2018 and 2017, this income amounted to \$65,663 and \$278,647, respectively.

# Note 2-Summary of significant accounting policies – continued

#### **Advertising costs**

Advertising costs are charged to operations when incurred. Total advertising costs charged to expense for the years ended December 31, 2018 and 2017 was \$91,572 and \$87,142, respectively.

#### **New accounting pronouncements**

In June 2018 the FASB issued ASU 2018-08, Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (ASU 2018-08). ASU 2018-08 clarifies the accounting for both makers and recipients of grants. The guidance amends the new revenue recognition standard as well as long-standing contribution accounting guidance. The amendments provide a framework for evaluating whether grants should be accounted for as exchange transactions or as nonexchange transactions. ASU 2018-08 also clarifies the guidance used by entities other than not-for-profits to identify and account for contributions made. ASU 2018-08 is effective for fiscal years beginning after December 15, 2018 if the entity serves as the resource recipient or fiscal years beginning after December 15, 2019 if the entity serves as the resource provider with early adoption permitted in both cases. The Organization is currently evaluating the effect that ASU 2018-08 will have on its financial statements and related disclosures.

In May 2014, the FASB issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (ASU 2014-09), to supersede nearly all existing revenue recognition guidance under accounting principles generally accepted in the United States of America (U.S. GAAP). ASU 2014-09 requires an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. In August 2015, the FASB issued ASU 2015-14 which defers the effective date of ASU 2014-09 one year making it effective for annual reporting periods beginning after December 15, 2018. The Organization has not yet selected a transition method and is currently evaluating the effect that the updated standard will have on the financial statements and related disclosures.

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842). ASU 2016-02 will require that a lessee recognize assets and liabilities on the balance sheet for all leases with a lease term of more than twelve months, with the result being the recognition of a right of use asset and a lease liability. Recognition and presentation of expenses will depend on the classification of the lease as either finance or operating. ASU 2016-02 will also require quantitative and qualitative disclosures to supplement the amounts recorded in the financial statements to afford better understanding of the Organization's leasing activities. ASU 2016-02 is effective for fiscal years beginning after December 15, 2019 with early adoption permitted and is to be applied retrospectively. The Organization is currently evaluating the effect that ASU 2016-02 will have on its financial statements and related disclosures.

# Note 2-Summary of significant accounting policies - continued

#### **Subsequent events**

Subsequent events have been evaluated through June 14, 2019, the date in which the financial statements were available to be issued. Subsequent to year end, the line of credit was extended. See Note 11.

#### Reclassification

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements. These reclassifications had no effect on previously reported results of operations or net assets.

#### Note 3-Cash and cash equivalents

Cash and cash equivalents at December 31, 2018 and 2017 were as follows:

2018		2017
\$ 150	\$	150
175,358		24,800
401,482		315,450
400,632		402,128

The Organization maintains deposits in federally insured financial institutions. At times, these deposits exceed federally insured limits. The Organization regularly monitors the financial condition of the institution in which it has depository accounts and believes the risks of loss are minimal.

#### Note 4-Note receivable - NCC-ET

The Organization entered into an agreement on October 17, 2008 for a note receivable from NCC-ET. The note receivable had an original maturity date of May 31, 2011. Subsequently, extension agreements have been signed by both organizations. The most recent extension agreement contained a modification and expired on May 31, 2018. The agreement was modified to provide for monthly installment payments of \$3,400 to be applied all to the unpaid principal balance of the note, except during default. Interest will accrue on the principal balance of the note at the rate of 4.0% per annum starting on June 1, 2015 and continue until the maturity date. Payment of interest is deferred unless the borrower defaults on the note.

In May 2017, the Organization made the decision, along with other debtors of NCC-ET, to sell their interest in the receivable. NCC-ET continued to pay their monthly payments through May 2017 and made a final payment of \$176,800 to settle the debt.

# **Note 5-Property and equipment**

Property and equipment at December 31, 2018 and 2017 consists of the following:

	2018	 2017

Depreciation expense was \$38,507 and \$42,866 in 2018 and 2017, respectively.

#### **Note 6–Governmental contracts**

#### **Convention and Visitors Bureau**

The Hancock County Commissioners enacted Resolution 379-91 on December 17, 1991. This resolution authorized Hancock County (the County) to enter into an agreement with the Organization to provide for the operations of CVB. The County agrees to remit to CVB 40% of the net proceeds of the actual collection of the hotel/motel tax. The aforementioned fund is to be used for promoting and publicizing Hancock County, including the City of Findlay, in order to bring the patronage of business and tourists; and cultural, educational, religious, professional and sports organizations into the County.

The contract began in 1992 and can be renewed annually. The Organization will receive the full 3% tax assessed by the County from hotels and motels to fund CVB. In November 2015, the agreement was renewed effective January 1, 2016 for three years. In December 2018, the agreement was renewed effective January 1, 2019 for two years. In the event of termination, any and all remaining monies originally received from the County shall be returned to the General Fund of the County.

#### Note 7-In-kind contributions

In 2018, the Organization received services for communications/advertising, transportation, maintenance, and professional services totaling \$24,140 with offsetting expenses of \$24,140. In 2017, the Organization received services totaling \$17,740 with offsetting expenses of \$17,740.

#### Note 8-Retirement plan

The Organization has a qualified profit-sharing plan (the Plan) for which full-time employees are eligible after one year of service provided that they are twenty-one years of age or older. The Plan allows eligible employees to defer the lower of 92% of their compensation or the maximum contribution specified for that year in accordance with the Internal Revenue Code Section 401(k). The Organization contributes 3% of an employee's compensation to the Plan and matches up to 4% of an employee's deferral. New hires must defer 1% to the Plan but can opt out if desired. The Organization's contributions to an employees' 401(k) account are fully vested after three full years of employment. During November 2018, the Plan was amended effective January 1, 2019 that employees are eligible after thirty days of service. Profit sharing and matching expense was \$38,796 and \$36,601 for the years ended December 31, 2018 and 2017, respectively.

#### Note 9-Unrelated business income

For the years December 31, 2018 and 2017, the Organization had no tax expense with regards to its unrelated business income.

#### **Note 10–Related parties**

All members of the Organization's Board of Directors also comprise the Board of Trustees of Findlay-Hancock County Alliance Foundation (the Alliance Foundation). The entities are separate distinct legal entities and all transactions between the organizations are handled at arms-length. The organizations do share management, but there is not an economic interest between the organizations. Accounts receivable from the Alliance Foundation amounted to \$161,455 and \$181,355 at December 31, 2018 and 2017, respectively.

During both 2018 and 2017, three members of the Organization's Board of Directors operate and/or manage local businesses that the Organization dealt with during the normal course of business. For the years ended December 31, 2018 and 2017, the amounts of these business services charged to operating expenses were \$5,565 and \$55,934, respectively.

#### Note 11-Line of credit

The Organization has available a \$150,000 line of credit with a 5.50% and 4.50% interest rate for the years ended December 31, 2018 and 2017, respectively. During February 2019 the line of credit was extended through February 6, 2020. At December 31, 2018 and 2017, the Organization had an outstanding balance of \$0.
